Rising Together
Schoolwide Mental Health Screening™
by Possibilities for Change

Our National Partnership Model

Join the Movement to Impact 1 Million Youth

Evidence-Based Tools | Cutting-Edge Technology | Passionate Youth Advocates

What Makes Our Comprehensive Program Unique

- Hi-tech systems
- Full program support
- Screening & immediate interventions
- Empowering families
- Community partners & referral sources
- On-demand analytics

Leverage Our Program Media Kit and Co-Branded Content

- Presentations, videos and information sheets
- Impact reports, press releases and case studies
- Talking points and templates

Preview the Partnership Journey

Building Awareness → Mobilize State/School District Partners → Identify Impact Funding

Inspire & Align Stakeholders – Share data-driven program results and stories of impact

Build Policy Momentum – Convene decision-makers to embed mental health screening into education systems

Grow the Impact Investment Network – Partner with aligned funders to accelerate access for youth

Taking Action → Build Sustainable Growth Partnerships → Activate Multi-Year Commitments

Amplify Reach & Awareness – Co-branded media, campaigns, and national movement-building events

Fuel the Mission – Leverage venture philanthropy, corporate giving, and major donor investments

Show Impact That Matters – Publish local, regional, and national youth mental well-being results

Strengthen Support Circles – Connect families and communities with ongoing care and resources

Advancing the Program → Establish Statewide Infrastructure → Secure Enduring Funding

Secure Long-Term Sustainability – Unlock permanent funding through state budgets, endowments, and recurring investment

Elevate Evidence & Outcomes – Build a national library of case studies, success stories, and proven results

Lead the National Conversation – Establish Rising Together as the trusted authority in youth mental health
